

Spotted anything  
unusual?

# Nothing will protect your crops more than a **good hard look.**

Strawberry growers are the key to protecting Australia's crops from exotic insects and diseases that could devastate the industry.

It is important that you are aware of the risk, and if you spot anything unusual on your strawberry crop you should always check it out and call the **Exotic Plant Pest Hotline** on **1800 084 881**. The call is free (except from mobiles) and early detection will help protect your industry.
